Portfolio Strategy

BMO Canadian High Dividend Covered Call ETF has been designed to provide exposure to a dividend focused portfolio, while earning call option premium. The underlying portfolio is yield-weighted and broadly diversified across sectors. The ETF utilizes a rules-based methodology that considers dividend growth rate, yield, payout ratio and liquidity. The ETF also dynamically writes covered call options. The call options are written out of the money and selected based on analyzing the option's available.

Fund Benefits

- Designed for investors looking for higher income from equity portfolios
- Invested in a diversified portfolio of high dividend Canadian companies
- Call option writing reduces volatility
- Professionally managed by BMO Global Asset Management
